Turn right on Oak Street. Drive about one-third of a mile.

Turn right on SE Fulton St. (Fulton merges onto East River Road).  
Drive about one-third of a mile until you reach the East River Parking Garage.

Turn right to park in the East River Parking Garage. (It's a big garage and rarely runs out of space. There is only one elevator bank. If you park near the elevators, it will be easier to find your car later!)

Take the parking garage elevator to the plaza level (Level "1") and walk northeast to Coffman Memorial Union (CMU). In inclement weather, take the elevator to "Level A" and follow the signs to the "Gopher Way" tunnel to Coffman. You'll emerge in the basement of Coffman. Take the stairs, then the escalator up to the ground floor.

Take the Coffman elevators to the 4th floor. Elevators are on either side of the Bookstore, opposite the restrooms.
