

CONFERENCE ROOMS ABC

80 seated / 100 reception total · 16 ft' x 30 ft' per room · 1,548 sq ft total

Conference Rooms ABC are a flexible meeting space that can be split into two or three separate smaller rooms with the use of air walls. You can rent one, two, or all three sections to get just the space you need for your event. Enjoy great views just outside the floor-to-ceiling windows along the east wall.

These rooms are used for many purposes: plated lunches and dinners, buffets, receptions, formal presentations, board meetings, classes, industry roundtables, and more. Let us know the details of your event and we will send you sample floorplans that might work, plus we can customize one for your event!
