

Think Green

with the Campus Club

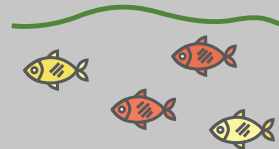

We have LED lighting throughout the entire floor.

Buying locally provides fresher, tastier food, reduces food miles and carbon emissions, and supports local farmers.

57% of our food is local and/or organic.

Free Range Chicken and Grass-fed Beef!

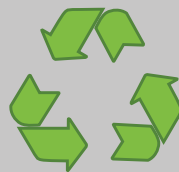

We buy only wild, sustainably sourced fish and seafood.

We are the #1 purchaser from Cornercopia!
(The U of M Student Organic Farm)

70% of our staff takes public transportation or walks / rollerblades / bikes to work.

Our plastic products are recyclable.

Recycled materials are used in our offices.

We compost a minimum of 120 pounds/day.
