Our Food

The Campus Club serves our guests the best fresh, local, seasonal, and flavorful foods available in the Twin Cities.

From Scratch

Baked goods are made daily with local, organic flour, butter, cream, and milk sourced from many regional farms that practice sustainable, often organic methods.

All dressings, sauces, and chutneys that accompany and flavor our entrées and salads are made in the Club kitchen from scratch with pure ingredients.

Locally Sourced Food

We feature cheeses made at the University Dairy Lab and produce grown for the Campus Club by Cornercopia, the University's student organic farm. Our chefs have a passion for food and are experts in crafting the best seasonal menus for your events.

Our meats, cheeses, dairy, flours, grains, and produce are sourced locally from farms and companies that practice sustainable, often organic methods.

Our ingredients are local for freshness and quality, but also to highlight Minnesota-developed varieties of fruits and vegetables.
