

# Campus Club Buyout

Use of all 11 Spaces | Conference rooms, Breakout rooms, and other versatile spaces

Enjoy exclusive use of the entire Campus Club for your event. A full buyout gives you access to all rooms and spaces throughout the Club, with the facility closed to daily business and other events to ensure complete privacy and flexibility.

This option is ideal for larger events that require multiple breakout rooms, vendor locations, hospitality suites, and seamless flow between spaces. From conferences and corporate gatherings to multi-day programs and large celebrations, a Campus Club buyout provides a customized experience designed around your event's needs.
