

# COFFMAN UNION EAST LOADING DOCK

Coffman has an East and a West Loading Dock. Use the EAST one.

We have a Loading Zone parking pass (good for a half-hour) that you can borrow. Park in an authorized Loading Zone 30-minute parking space. **DO NOT PARK ALONG THE YELLOW PAINTED CURB.**

*Please return our Loading Zone pass when you are done.*

On weekends, if you need to borrow a cart or the Campus Club Loading Zone pass, come up to the Campus Club front desk and get it from the manager on duty.

On weekdays, you can arrange with the Events Office for someone to meet you at the loading dock with the parking pass.

## TO GET TO THE EAST LOADING DOCK:

Follow directions to arrive at the Campus Club, but instead of entering the parking garage, turn (or stay) on Delaware Street. This will bring you behind Coffman Union.

Take the first left (just east of the building) into the EAST loading dock, there you can unload.

Go down the hallway (stay to the left) a little way. Follow signs to the elevators. Take elevators to fourth floor.
