

GETTING TO THE CAMPUS CLUB

HOW TO GET TO COFFMAN MEMORIAL UNION

Once you have parked in the East River Parking Garage, you have a couple of options to get to Coffman Memorial Union.

Take the parking garage elevator to the plaza level (Level "1"). You'll end up outside and you will want to walk northeast to Coffman Memorial Union (CMU).

Take the parking garage elevator to "Level A". Follow signs to the "Gopher Way" tunnel. You'll emerge in the basement of CMU. Take the stairs up, then the escalator up to the ground floor.

Take the Coffman elevators to the 4th floor, the Campus Club. Elevators are on either side of the Bookstore, opposite the restrooms.
